Camberley Diamond WI

St. Mary's Church & Centre, Park Road, Camberley, GU15 2SR

President: *Christine Craig*

Ladies,

Our Craft Evening in September was a very exciting and creative meeting which was enjoyed by all. It gave us an opportunity to try new things but there wasn't time to do everything so by popular demand it is on the Events Programme for next year! A big thank you to all the workshop leaders for sharing their skills with us.

Anyone who is interested in a crochet group to learn or improve their skills please contact Christine Craig.

MORE NEWS

WI Meeting on Monday 14 October

Join us for cava and canapés at our next meeting when we will celebrate our first anniversary and all that we have achieved. George Yates will entertain us with magic, comedy and mentalism. Our guests are Sheila Tickner, Jane Randell and Jo Voogt from the SFWIs and Rev Andrew Knowles, David Reed and Kay Rothwell from St Mary's Church. These are all people who have helped and supported us throughout the year.

If you haven't put your name down for canapés then please bring a plate of tasty treats to the meeting.

Please note that there will not be a Bring and Buy table.

Chelsea Hospital

Our visit to the Royal Hospital Chelsea on 3 October was a really interesting and enjoyable day. We were shown round the magnificent grounds and buildings by Bill Bullick, one of the in-house pensioners. He was an entertaining guide and answered our many questions with good humour. A delicious lunch and tea added to our enjoyment of the day.

Our next visit will be to the Christmas Market in Winchester in early December. Details to follow.

Charity

Our collecting for charity is going very well. Please bring any used stamps, computer ink cartridges, mobile phones, old spectacles, plastic milk bottle tops, foreign coins and bras to our meetings.

St Mary's is a collection point for BESOM which, amongst other things, collects food to distribute to those in need in our community. Non-perishable items can be left on the chest in the church entrance.
