## Camberley Diamond WI

St. Mary's Church & Centre, Park Road, Camberley, GU15 2SR

President: Christine Craig

---

I was on holiday in sunny Cornwall in September so I missed the last meeting and Kerrie Ellis' talk on dressing to suit your personality and accessories and make up to suit your face shape. Reading Amanda's review below, I can see that our autumn programme got off to an excellent start.

*She talked us through the different personality styles and how to identify our own individual style from creative to city chic by completing a simple questionnaire. It was interesting to find out what our style was and then she showed us the different style of clothes we might wear in the six different categories. She also talked us through the different face shapes and how to identify which shape we were and to enhance them by the clever use of make-up and different shaped glasses. It was great fun trying to identify our different face shape and we were certainly a mixture of shapes and styles.*

A reminder that most of our sub groups have a few spaces and new members are always welcome. They are a great way of getting to know people who have similar interests. You can learn new skills or develop existing ones and the 'craft' groups are suitable for all levels of experience. Sylvia Gardner's sugar craft classes begin on 24 Oct with a Halloween theme and then she moves on to decorating cakes for Christmas. The new quilting group has its first meeting on 29 Oct. Contact me if you are interested in any of these.

### Future Meetings

#### 9 November AGM and Games

Vote for your committee and President, listen to the Treasurer's financial statement and look back at the highlights of the year when the Secretary presents her annual report. After this there will be time to relax and chat and test your brains with some fun puzzles.

**Please consider joining the committee in November. Help with running our WI is always needed. Of course you don't have to be on the committee to help – all offers are welcome!**

#### 14 December Christmas Party

A time to relax and celebrate the festive season with food, drinks and fun! More information will follow.

## 12 October – Wine Tasting and Talk

Chris and his team from Majestic are returning to give a talk and wine tasting. He will tell us about types of wines, where they are grown and their characteristics. He will also advise us on how to match wines with food for occasions like Christmas. You can then taste a selection of wines paired with food and see the effect they have on each other – good and bad.

This meeting is also a special occasion as we will celebrate our third birthday....with a cake of course!

## CHARITY AND RECYCLING

### BRONZEFIELD BEES WI

Bronzefield Bees WI is always pleased to receive donations of art and craft materials and equipment for its thriving Art and Crafts group.

### RECYCLING

We collect British and foreign stamps, computer ink cartridges, old spectacles, plastic *milk* bottle tops, foreign coins, bras, mobile phones, buttons, zips and broken costume jewellery. These are donated to: the Air Ambulance, Hearing Dogs for the Deaf, Phyllis Tuckwell Hospice, Vision Aid Overseas and the Associated Country Women of the World (ACWW).

*For more information about the charity collections please contact Ros Terry*

### BESOM

St. Mary's is a collection point for BESOM which, amongst other things, collects food to distribute to those in need in our community. Non-perishable items can be left on the chest in the church entrance. Donations are always welcome and our members have given a lot of support to BESOM over the years.
