## Camberley Diamond WI

St. Mary's Church & Centre, Park Road, Camberley, GU15 2SR

President: Christine Craig

---

It was great to see so many of you at the last meeting and to welcome all the guests. Chris from Majestic was really excellent and gave a very entertaining and informative talk. I think he enjoyed the evening as much as we did. The noise level from the swirling, swishing, slurping and sipping was impressive. So too was our concentration as we tried to see legs on our glasses and taste hints of apple and creosote in the wine! Pairing wines with food was a revelation and demonstrated how food can kill or complement a wine. Some of us couldn't resist Amanda's smoked salmon nibbles so we didn't have a lot left when it came to the actual tasting!

It's incredible to think that we are now three years old and in true WI tradition we celebrated with cake. Admittedly not homemade but Costco did us proud and the chocolate cake was delicious. The church office appreciated the leftovers the next day.

So much has been achieved over the last three years and our WI is thriving. New friendships have been made and our meetings are friendly and stimulating; subgroups and visits add an extra dimension. We have a lot to be proud of and much to look forward to in the next WI year.

I have thoroughly enjoyed my time as President of Camberley Diamond WI. It has been a privilege, great fun and very rewarding. I could not have done this without your support; thank you for this.

## 9 November Annual Meeting, Social Time and Games

At this time of year there are usually changes to the committee and Sue, Valerie and I are retiring. This means that there will be vacancies so please consider putting your name forward and helping to run our WI. As well as voting for the committee, we will also be appointing a new President.

The Annual Meeting gives us all an opportunity to look back at what we have done and of course with the Centenary it has been a special year. Sally Ellis, our Secretary, will present the highlights of the year in her Annual Report. Healthy finances are also important and Sue O'Riordan, our Treasurer, will give the Financial Statement

It's not all business and there will be time to relax, chat and test your brains with some fun table top puzzles.
